EXPRESS MAIL NEXT DAY SERVICE

This directory* was developed primarily for our next-day Express Mail customers. In it, you will find those cities and countries which you can mail to on a non-scheduled basis.

However, it should be noted that the United States Postal Service offers additional levels of service such as Custom Designed and Same Day Airport to virtually any location in the United States and to selected countries.

Express Mail gets special handling from the moment it enters our system. It flows through a streamlined procedure that eliminates many of the steps ordinary mail requires.

Express Mail gets out of the Post Office faster. It gets to the airport faster. And it gets where it's supposed to get **On Time Or You Get Your Money Back** (unless the delay was caused by a strike or work stoppage). We guarantee it.**

Shipments to cities listed in this directory and mailed to an authorized Express Mail Acceptance Post Office or designated Express Mail Collection boxes by 5 PM (or posted deposit time on collection boxes), will be delivered to a street address, or lock box address by 3 PM or the shipment will be available for pick up by 10 AM, the next day that the destination post office is open for business.

INSURANCE COVERAGE:

1. Document Reconstruction Insurance (Domestic and International Mail). Non-negotiable documents are insured against loss, damage or delay up to \$50,000 per piece subject to a limit of \$500,000 per occurrence. See USPS Notice 7 or Notice 63 for limitations of coverage.
2. Merchandise Insurance (Domestic Mail only). Parcels are insured against loss or damage up to \$500. The mailer must declare the value of the article at the time of mailing. See USPS Notice 13 or Notice 63 for limitations of coverage.

All claims for loss, delay or damage and refund of postage must be made within sixty (60) days. Claim forms may be obtained at the post office of mailing.

* Service to destination cities in this directory is subject to change without notice.

** Money back guarantee does not apply to Express Mail addressed to rural boxes.

IT'S SO EASY TO USE EXPRESS MAIL

HOW TO PREPARE MAIL POST OFFICE TO ADDRESSEE SHIPMENTS

1. Use the alphabetical listing of cities and ZIP Codes in this directory to determine if the destination city can be reached overnight from the Los Angeles area.
2. Prepare your shipment as an envelope or parcel which is large enough to hold both the Express Mail address label (4½ x 7¾") and the postage. (You may use postage stamps or meter postage.) Individual shipments must not weigh more than 70 pounds or be more than 100 inches in length and girth combined.
3. Use an Express Mail Post Office to Post Office Label 11A for pick up by 10 AM, or Express Mail Post Office to Addressee Label 11B for delivery to a street or lockbox address by 3 PM.

For Post Office to Post Office Label 11A, fill out the "From" and "Hold For" address blocks by entering the addressee's name and **address of the destination Post Office**. Notify the addressee as to where the shipment can be picked up by 10 AM, the next day that the destination Post Office is open for business.

For Post Office to Addressee Label 11B, fill out the "From" and "To" address blocks.

Enter actual value (if any) up to \$500.00. Peel off the backing and affix the label to the shipment.

4. Weigh the shipment. (Round upward to whole pounds.)
5. Calculate the postage by locating the destination zone number of the address in the alphabetical city listing.
6. Turn to the appropriate Rate Chart. Locate the weight of your shipment on the left side of the chart. Move horizontally to the right and locate the postage under the appropriate zone heading. Apply the proper postage to the shipment or buy the postage needed at the nearest Express Mail Acceptance Post Office.
7. Deposit shipment at an Express Mail Acceptance Post Office by 5 PM.

For your convenience, Express Mail Collection Boxes are available in selected areas.

RETURN RECEIPTS may now be purchased for Express Mail.

Endorse block 3 of Form 3811, Return Receipt, with the words, "Express Mail," next to the title, "Article Description." The complete Express Mail Label number or agreement number must be entered in the "Certified" AND "Insured" blocks.

Customers are also instructed to endorse the "Customer Number" block of Express Mail Labels 11A, 11B, and 11C with the words, "Return Receipt Requested."
